

# SENIOR SCHOOL CO-CURRICULAR CLUBS

---

2023/2024

Derby  
Grammar  
School

Here is the programme of co-curricular activities offered on a weekly basis to Senior School pupils from September 2024. There will be a few more activities to add in coming weeks and thereafter list will be updated each term

All pupils are encouraged to take part in at least one weekly activity - many pupils are actively involved throughout the week.

Further details of activities will be given to pupils via the daily bulletin, posted around the school, or emailed home to parents. Pupils are also encouraged to speak directly to staff in charge of activities.

In addition to regular weekly activities, all pupils will be involved in House Competitions, charity fundraising projects and have the opportunity to go on numerous trips and visits.
